

# ELLE DECORATION now

## Decorate with... the glamorously groovy look

*It's the season of sparkle and excess, so this month we are advocating adding a little 1970s exuberance to your home. The ideal antidote to winter gloom, this is an aesthetic that's all about sumptuous velvets, rich colour and gleaming metallics*

Interior designer Greg Natale used de Gournay's 'Namban' wallpaper to inject this home (featured in his new book *The Layered Interior*) with a golden glow ([gregnatale.com](http://gregnatale.com)) ➤
