Winnings x Habitus House of the Year

In mid 2024 our incredible jury gathered to deliberate the extraordinary shortlist and determine the Winnings x Habitus House of the Year.

This calibre was exceptional, with 20 projects of excellence selected by the Habitus editorial team from across the Indo-Pacific. We congratulate the projects shortlisted and applaud the designers for their exceptional abilities as they continue to elevate architecture and design to the highest levels across the Indo-Pacific and globe.

This year's jury comprised some of the best design thinkers and industry leaders in their chosen profession. We thank you each for your commitment, time and generosity of spirit.

To Winnings and Rogerseller, our gold and silver sponsors, a very special thank you for the continued support of the Winnings x Habitus House of the Year. Through your partnership, this program is made possible and the exceptional residential architecture and design that exemplifies our region is set on the world stage. Thank you.
