INTERIOR DESIGN AWARDS 2025

GREG NATALE HAS BEEN A *BELLE* FRIEND and, indeed, favourite, since his first appearance on our pages in the noughties. The high priest of high-end residential interiors is a powerhouse of customisation and collaboration, simultaneously delivering enviable interiors on multiple continents while helming his own collections of finishes, furniture, textiles and accessories, and partnering with similarly luxe brands.

Greg's ability to layer his clients' homes with colour, pattern and a mix of styles in a sumptuous, sophisticated way has earned him countless awards, including our own Designer of the Year gongs in 2011 and 2014. More recently, he was lauded by *The New York Times* for making Art Deco feel contemporary.

From his transformations of penthouses and grand Victorian mansions to harbourside villas and country estates, Greg's unique approach and timeless style have made him the natural choice for this year's Hall of Fame. His expert curations of beautiful interiors are always photo ready (including his studio, shown), but somehow always warm and welcoming, and we look forward to publishing many more of his projects. Congratulations, Greg! *gregnatale.com*
